1. Minutes of previous Meeting

The minutes of the Office of Medical Services Career Service Board (OMS CSB) meeting of 16 December 1971 were approved by the Members without comment.

2. Executive Secretary's Report

The Executive Secretary distributed to each Member a copy of a report since the last meeting of promotions, re-assignments, EOD's, conversions to career and staff status, and separations from SM Career Service and asked the Members to review for any corrections or omissions. No corrections or changes were made. This report is an attachment to the minutes.

3. Panel B Report

The Chairman of Panel B had no report, but ExO had something which related to Panel B. [REDACTED] mentioned that OMS had been queried by [REDACTED] (DDS Career Management Officer) for the DDS as to what groups we competitively evaluate. [REDACTED] was told that we competitively evaluate Medical Officers, Medical Technicians, and Medical Service Officers. Apparently soon after this query

MINUTES - OFFICE OF MEDICAL SERVICES CAREER SERVICE BOARD
MEETING, Wednesday, 13 December 1972

D/MS received a memorandum from Mr. Coffey stating that he thought we should also competitively evaluate psychologists and nurses. D/MS discussed this with ExO and D/MS decided that at some future time when he sees Mr. Coffey that he will bring it up and state why he feels it is unnecessary to competitively evaluate these two groups. One of the reasons suggested for this is that each of these groups is under one supervisor. ExO stated that one also reads into this interest in competitive evaluation another purpose: use of the ratings in the event of reduction in force. ExO mentioned that the term being used for evaluation in this regard is Inverse Ranking. Apparently the Clandestine Service has an elaborate system for annual inverse ranking.

4. C/OD Report

C/OD reported that about a year and a half ago the staff decided what should be recommended training for OMS personnel. A paper from C/OD has gone out twice with no response. Apparently OD and PSS are very good about training for the people in their offices. SD, it was noted, has four people going into training early next year. C/OD plans to discuss this with D/MS at his briefing tomorrow.

5. DD/MS Conclusion

DD/MS stated that since there was no meeting early in 1972 and also because of the absences of Chairman, Panel A and Chairman, Panel C that the Career Service Board will meet again in mid-January. On that happy note the meeting was adjourned.
